*When we think of our days at Preston,
What comes to mind is a song:
We created the words as we went along.
We didn't know what to expect
From each year — or each other.
But through **all** this we managed
To lay down a course for our lives . . .
Just as a songwriter takes bits of his soul
And puts them down on paper
For the world to see,
Our final product is a beautiful song of
memories
Which now seems to be perfect harmony.*

Jackie Troncoso

“The price of wisdom is above rubies.” Job 28:18

The 40th anniversary is represented by the ruby. This year Preston is celebrating its 40th year. Many changes have taken place at Preston since 1947: Then there were just 87 students, all ninth graders;

Now the student body consists of 522 girls. There were only 3 faculty members, Sister Mary Mercedes, Sister Mary Emmanuel, and Sister Mary Aquinata;

Now we have a faculty of 45 men and women. There were only 2 classrooms in September of 1947;

Now there are 24 classrooms and several resource centers.

Forty years ago there were “tea dances”; the proms and class days were held on the porch; the uniforms and gym suits were certainly “different”; there was no new building — but there were many empty lots surrounding the original building; the present ERC was the cafeteria; there was an annual Glee Club Concert; Yule night, a Christmas pageant, was held on the grounds and porch just before Christmas; students marched in both the Columbus’ Day and St. Patricks Day Parades.

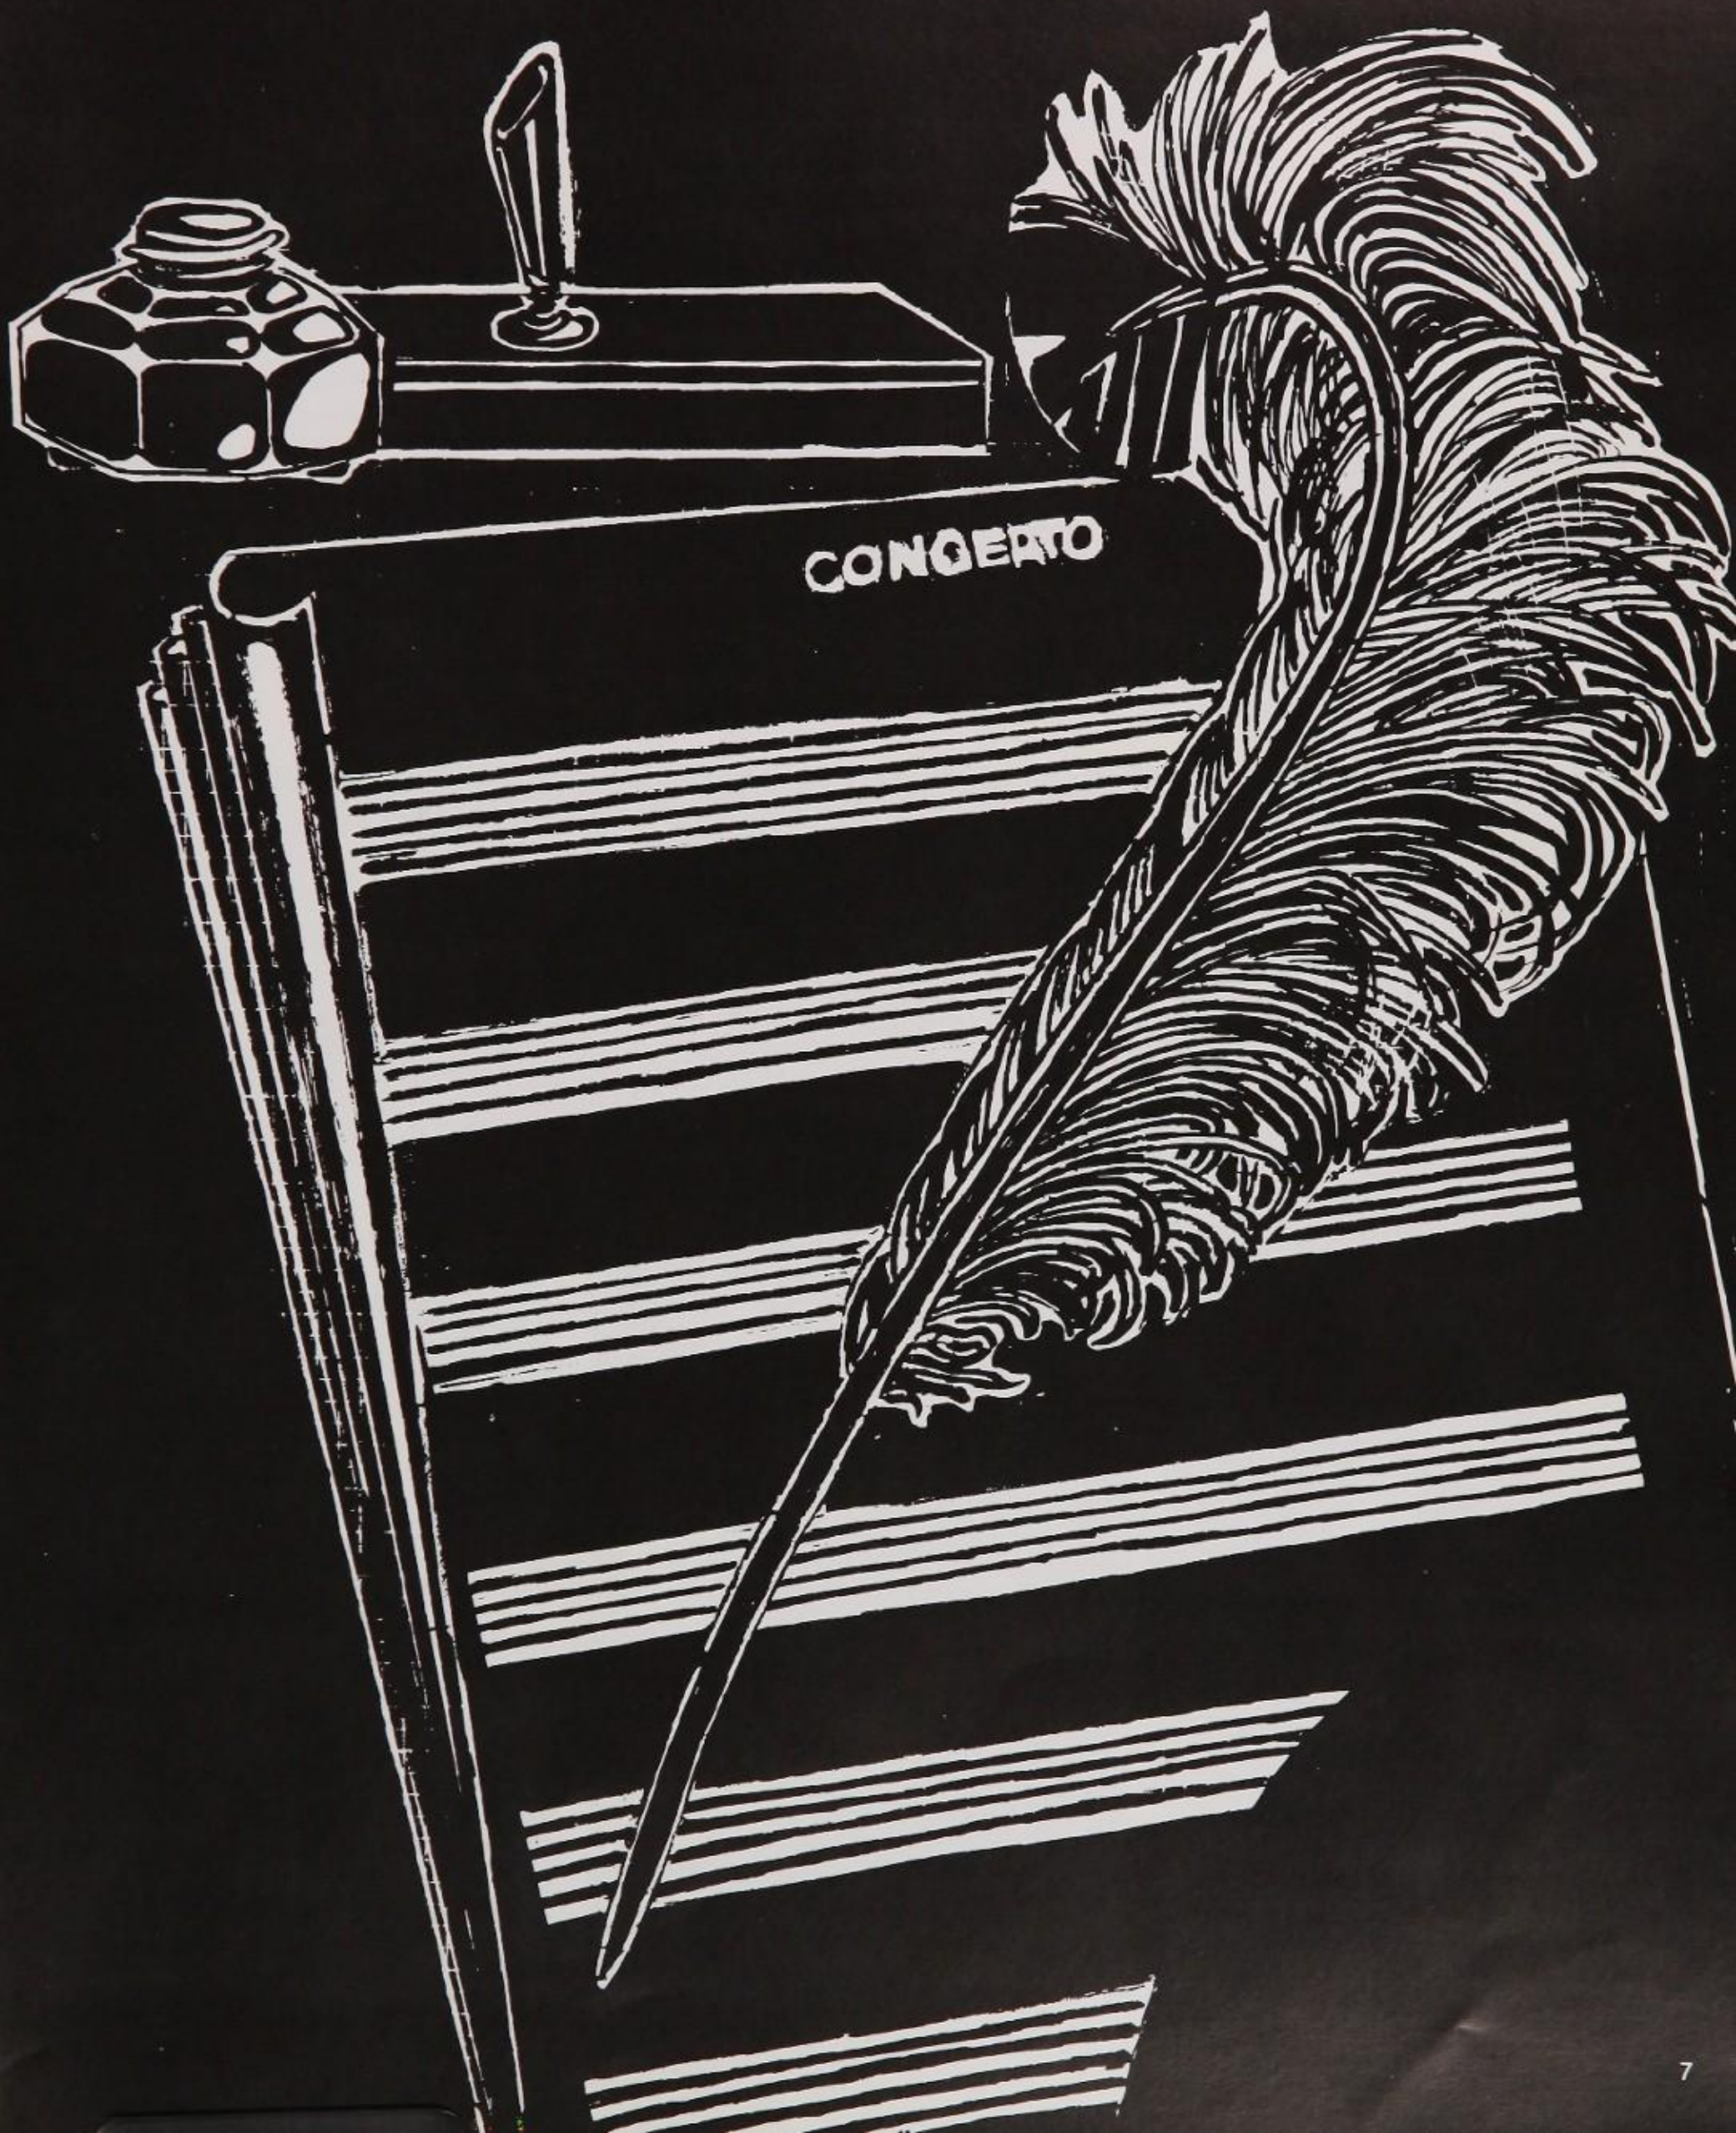

In general, changes at Preston have taken place for the common good. However, some things are better when left unchanged. We, as Prestonites, still enjoy a sense of “family” and a unique togetherness. Our school provides us with an atmosphere that encourages us to become moral, Christian women. We are shown by example how not only to share material goods with the less fortunate, working with retarded children, annual Christmas caroling, and other voluntary services at Preston as well as in our community.

In appreciation, we, the Senior Class of 1987, would like to dedicate this yearbook to Preston High School and to all those who have helped to make it what it is and what it stands for today.

*"Sometimes our light goes out
but is blown again into flame
by an encounter
with another human being.
Each of us owes
the deepest thanks
to those who have rekindled
this inner light."*

STUDENT COUNCIL

MAINTAIN THE TRADITION OF

The Student Council is a well established nucleus for Preston High School. The members of this organization exhibit leadership and serve as a liaison between faculty and students. Through successful fund raisers, they have provided money for such causes as King's Harbor, Father Ritter at Covenant House and the McSwiggin children.

Also, the Student Council has inaugurated "Beamer Week" and "Spirit Week." Beamer Week helped people show their appreciation for others in the form of little notes — Beamers. Spirit Week included Crazy Sock Day, Hat Day, etc. These were intended to build "spirit" among students.

The Student Council has proven to be a successful organization in the past and present, and we would like to recognize and congratulate these girls. Also, we would like to wish the future Student Council the success necessary not only to live up to its reputation, but even to go beyond what has been done in the past.

"Feature writing is excellent . . . , illustrative work is very good . . . reports are of high interest even to outside readers . . . (and) editorial pages are well thought out." *CSPA* judge's comment in 1983. Today, *Preston Echoes* staff continues this tradition. Headed by *Editors-in-Chief Laura Bombay* and *Paula Chan, News Editor, Maria D. Del Vecchio* and faculty moderator Miss Elizabeth Ungaro, the newspaper covered various topics throughout the year. Eagerly, students awaited each issue and were not disappointed.

SPECIAL TALENTS, CARE, AND CONCERN UNITE PHS STUDENTS

PEACE PLACE is more than a name or place, it's an experience of love. Led by Sr. Carol Wagner and Sr. Betty Ann Clifford, volunteers headed into the heart of Appalachia. Seniors *KERRIE NAPOLITANO* and *PAULINE CAICEDO* were among the group. Bracing the intense heat, the lack of running water and other obstacles, they established their "Live, Love and Learn Workshop" in Moonshine Hollow, Kentucky. Activities included: prayer, singing, remedial math and reading, recreation, arts and crafts, peacemaking activities, self-esteem exercises and swimming instruction. When love is strong, parting is sad and tears were shed during good-byes. But summer will come again and friendships will be renewed as the Sisters and volunteers continue their experience of love in Appalachia.

RESPIRE is basically a volunteer organization designed to help autistic children in Bronx State Hospital. Many Prestonites donate a few hours a week to work with the children. A very important part of Respire is the volunteer and child working together on a one-to-one basis.

PRESIDENTIAL CLASSROOM is a non-profit organization that offers students from all over the nation the opportunity to spend a week in Washington, D.C. in order to learn more about the concepts and ideals of our government. *KATHLEEN SLEVIN*, *MARIA T. DEL VECCHIO* and *PHYLLIS CORSO* represented Preston this year. They found the experience of seeing first-hand how our government functions and of meeting students from all over the United States to be both rewarding and enjoyable.

The undefeated Preston Softball team maintained their winning tradition by winning the Bronx CHSAA softball title last season after compiling an 8-0 regular season record. Under the leadership of first-year coach Pat Connallon, the Panthers outscored their opponents an incredible 131-23. Sporting a versatile bench, the Panthers excel both on the field and in the batting order. Connallon attributes the success to the depth of his bench. "One of our strengths was that many of our players could play several positions. They, also, ran the bases well all season."

CROSS COUNTRY & TRACK

ON THE RUN

The year 1986 proved a very successful start for the small but spirited Cross Country team which was organized and coached by Mr. Zanki. Though new to running on country terrain and dirt roads, both Donna Buhler and Paula Chan ran the 2.5 mile event in the Bishop Loughlin Invitational at VanCortland Park and the sectionals at Staten Island.

For the track team, 1987 was a year of development. Under the supervision of Miss McEvoy the girls worked out two mornings a week before school. Having built up endurance, they anticipate a great season next year.

Our Fathers' Club has been an integral part of Preston over the years. Without our fathers' generous and untiring efforts, we would not have sponsored or chaperoned, or many of the extras they have provided.

On this 40th Anniversary of our school, we wish to say a special "thank you" to all, past and present officers and members, who have given of themselves for the betterment of Preston.

A special tribute as we celebrate our 40th year to all our alumnae. Your spirit and continued loyalty to Preston are appreciated.

As lyrics enhance the musical composition so do our patrons add an important dimension to our yearbook. Through their support, students are able to buy their yearbooks at a reduced price. Their contributions, also, make possible many added features that enhance the quality of the yearbook. Without these patrons, the yearbook could never be as successful as it has been. A heartfelt thank you is extended to all the businesses, groups, families, and individuals who made a financial contribution.

*As "our song" comes to a close
And our lyrics to an end,
We discover that we have made
More than just a handful of good friends . . .
We look toward the future with hope —
 and some fear;
But with us forever will be
That beautiful song . . .
The one we created bit by bit
As the years have gone by.
Deep in our hearts we'll forever hold
Memories of this tune . . .
Long after the music we have created
 has ended for us —
Just a little too soon . . .*

the way - look at my feet one more time
& I'll kill you! I don't care what you think
you had an awesome party!! I'm still pissed at
you for not marrying me - Sure you're engaged
to Barbie though!! NO PROBLEM!! And

Everyone always
writes about how long they've
been friends and the good + bad
times they've had through the years. I
think by now you have heard all that at
least a million times (especially from me). I (had)
Out of all the friends I've had over the years taken
you are the only one that has ever really
me back after our fights. You've always been there for
me to lean on and you've been all around + terrific
friend. You've done a lot for me and were always
honest with me. I know we want to kill each other sometimes
but we've always survived! We've shared lots of
memories, dancing school, hurricanes, vacations together
to name just a few. You know I'm always here for
you except when I'm sleeping. You have taught me a lot
for example, I used to be a stupid, shy little girl
a long time ago but look what you've done to
me now! Thanks forever! Good luck
